

# Clear Creek ISD Special Education PTA

<http://septa-ccisd.org/>

CCISD SEPTA welcomes families, teachers, students administrators and community members to join us in celebrating and supporting students receiving special education services across the district.

Why join Special Education PTA in addition to my home school PTA?

- To have a forum where parents, teachers, students and administrators can work together to provide the best possible education for children receiving special education services.
- To receive educational programs and resources to strengthen children and families at home, school and in the community.
- To give parents the opportunity to meet other parents with similar circumstances.
- To be a part of our community with an organizational structure, resources and the opportunity to be a collective voice and advocate for your child or student and for all children.
