

USING MOBILE DEVICES AND APPS TO HELP STUDENTS WITH SPECIAL NEEDS

CCISD Special Education PTA

*Presented by
CCISD Special
Education PTA*

Member Education Meeting

Tara Rocha, the Digital Learning Specialist for Bridging Apps, will introduce parents and teachers to apps that can enhance everyday life for students with disabilities.

Bridging Apps is a program of Easter Seals Greater Houston that provides access to educational and therapeutic tools—anywhere, anytime—allowing parents, teachers, and therapists to effectively use mobile devices and apps to target and improve individual skill development to help children and adults with disabilities reach their highest levels of physical and cognitive development.

November 29
6:30 pm – 8:00 pm

CEU Credit Available

Space Center Intermediate
17400 Saturn Lane
